

IT TAKES TWO TO TANGO, AND IT TAKES TWO SHAPES FOR OPTIMAL MILKING

TWO LINERS IN ONE

The TANGO liner is designed with the benefits of both a triangle liner and a round liner.

PERFECT TRANSITION

The TANGO's barrel top half allows for faster milking while the lower portion transitions to give optimal teat health.

LONG LIFE WITH PERFORMANCE

The TANGO liner will offer a long life rubber that will also provide the performance that you and your cows need. Letting you milk more cows in less time.
